No terms, provisions or conditions of any purchase order, acknowledgement or other business form that the QAS End User may use in connection with the licensing of the Deliverables will have any effect on the rights, duties or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of CACI or QAS to object to such terms, provisions, or conditions. This Agreement may not be amended except in writing signed by duly authorised representatives of each party.
18. **Waiver** - The failure of either party to enforce any term of this Agreement does not constitute a waiver of it and shall in no way affect the right later to enforce the term.

Where relevant, the parties shall use their reasonable endeavours to agree a new provision resembling the invalid one in its commercial consequence as much as possible.
