### MICROSOFT CORPORATION END-USER LICENSE AGREEMENT

**IMPORTANT-READ CAREFULLY:** This End-User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and Microsoft Corporation for the Microsoft software product identified above, which includes computer software and may include associated media, printed materials, and "online" or electronic documentation ("Product"). An amendment or addendum to this EULA may accompany the Product. **YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA BY INSTALLING, COPYING, OR OTHERWISE USING THE PRODUCT. IF YOU DO NOT AGREE, DO NOT INSTALL OR USE THE PRODUCT; YOU MAY RETURN IT TO YOUR PLACE OF PURCHASE FOR A FULL REFUND.**

1. GRANT OF LICENSE. Microsoft grants you the following rights provided that you comply with all terms and conditions of this EULA:

a. Installation and Use.

You may install and use an unlimited number of copies of the Product only for your internal use on your premises. You may make an unlimited number of copies (either in hard copy or electronic form) of any electronic documents included with the Product only for your internal use on your premises.

b. Storage/Network Use.

You may also store or install a copy of the Product on a storage device, such as a network server, used only to install or run the Product on your other computers over an internal network.

c. Performance or Benchmark Testing.

You may not disclose the results of any benchmark test using the Product to any third party without Microsoft's prior written approval.

d. Redistribution Rights and Requirements.

Microsoft grants you a non-exclusive, royalty-free right to reproduce and distribute the .DLL files located in the Product ("Redistributables"), solely in object code form, provided you agree to the following:

(i) you shall not alter the Redistributables;

(ii) you shall distribute the Redistributables only in conjunction with and as part of the installation setup of the software application created by you that adds significant and primary functionality to the Product ("Application");

- (iii) you shall not use Microsoft's name, logo, or trademarks to market your Application without the prior written consent of Microsoft;
- (iv) you shall include a valid copyright notice in your name or on your behalf with your Application;
- (v) you shall indemnify, hold harmless, and defend Microsoft from and against any claims or lawsuits, including attorneys' fees, that arise or result from the use or distribution of your Application;
- (vi) you shall distribute your Application containing the Redistributables pursuant to an end-user license agreement (which may be "break-the-seal", "click-wrap" or signed), with terms no less protective than those contained herein;
- (vii) you shall not permit further distribution of the Redistributables by end users of your Application;
- (viii) your Application shall not substantially duplicate the capabilities of Microsoft Access or, in the reasonable opinion of Microsoft, compete with it; and
- (ix) unless your Application requires your end users to license Microsoft Access in order to operate, you may not reproduce or use any of the Redistributables for commercial distribution in conjunction with a general purpose word processing, spreadsheet or database management software product, or an integrated work or product suite whose components include a general purpose word processing, spreadsheet, or database management software product except for the exclusive use of importing data to the various formats supported by Microsoft Access. Note: A product that includes limited word processing, spreadsheet or database components along with other components which provide significant and primary value, such as an accounting product with limited spreadsheet capability, is not considered to be a "general purpose" product.

You may direct your Application end users who desire to obtain Product redistribution rights to: <http://www.microsoft.com/data>. Microsoft reserves the right to delete the Product download and to change, move, or remove this web page at any time, at its sole option.
