

Online Privacy Policy

By accessing or using the Online Data Health Check, you agree to the terms of the Online Privacy Policy, as outlined below. If you do not agree to these terms, please do not access or use this site.

Collection of Personal Information

When you engage in certain activities on this site, such as uploading data files you may be asked to provide certain information about yourself by filling out and submitting an online form. It is completely optional for you to engage in these activities. If you elect to engage in these activities, however, it may be required that you provide us personal information, such as your name, mailing address, e-mail address, and other personal identifying information.

When you submit personal information to Experian Data Quality, you understand and agree that Experian and its subsidiaries, affiliates and trusted vendors may transfer, store, and process your customer profile in any of the countries in which Experian and its affiliates maintain offices, including without limitation, the United States.

Experian Data Quality collects this information in order to record and support your participation in the activities you select. If you order a product, for example, the information is used to register your license and rights, if any, to technical support, upgrade discounts, or other benefits that may be made available to registered users. Experian Data Quality also uses information that you provide as part of our effort to keep you informed about product upgrades, special offers, and other products and services.

Experian Data Quality recognises and appreciates the importance of responsible use of this information. If you do not want the information you provide to be used to inform you of other products and special offers, and you indicate this preference when you provide the information, Experian Data Quality will honour your preference.

Your personal information is password-protected to prevent unauthorised access to it. This password is encrypted. We recommend that you do not divulge your password to anyone.

Updating Your Personal Information

You have the right to access and correct your personal information and privacy preferences. This may be accomplished writing to Experian Data Quality at:
